Shipmates Caring About Shipmates

This year, the Charitable Foundation will launch the USSV Charitable Foundation Ambassador Program.

The USSV Charitable Foundation Ambassador (referred to as the "CF Ambassador") shall be the recognized conduit between the 165 USSVI bases and the USSV Charitable Foundation.

The CF Ambassador is an appointed position within the Ambassador's Primary USSVI Base.

This position is a Base Officer /Executive Board Member whose primary duties are to serve as the liaison between the USSVI Base and the Charitable Foundation.

To be appointed as a CF AMBASSADOR:

The CF Ambassador is a Regular or Associate Member of a USSVI base and is appointed by the Base Commander and must complete a "**Qual Card**".

The "**Qual Card**" focuses on ensuring familiarity with USSVCF's website, by-laws, missions, and policies and procedures manual.

Qualifying to become the Base CF Ambassador, it is *critical to be able to fulfill all the responsibilities of the role.*

Founded in 1963, the **United States Submarine Veterans, Inc. (USSVI)** focuses on the support, health, and welfare of submarine veterans and their families.

Its stated purpose is also to perpetuate the memory of our submarine shipmates who gave their lives in the pursuit of their duties while serving their country.

In 2000, the **United States Submarine Veterans Charitable Foundation (USSVCF)** - a standalone, fully certified 501(c) 3 charitable foundation and the altruistic arm of the USSVI - was created to support our veterans and their legacy that much further.

The Charitable Foundation purposefully concentrates its efforts and charitable funding on natural disaster relief, memorials, visits to children's hospitals, and especially to a wide-ranging scholarship program for USSVI members and their offspring and grandchildren seeking to participate in higher education, vocational training, or apprenticeship programs.

All donations to USSVCF are fully tax deductible.
