Announcement of the 2019-2020 Academic Year USSV CF Scholarship Awards

The USSV CF Program has awarded and Delivered Fifty Scholarships to the Children or Grandchildren of USSVI Members for a total of \$57500.00. These awards represent a continuation of providing scholarships by USSV CF for more than 50 years.

These Scholarships are awarded on a competitive basis after qualified applicants have submitted an application for a Scholarship. As before only children, grandchildren or legal dependents of USSVI Members in Good Standing are eligible for this program.

Starting in October 2018 the USSV CF Scholarship Program implemented a paperless, web based competitive application process that eliminated risk, nearly eliminated all hard copy documents and accelerated the process to review, scoring and award. Every completed application is received, verified and then independently reviewed and scored by the members of the Scholarship Committee. The award recipients this and every year are considered to be the most highly motivated, articulate and dedicated student scholars.

All applications are evaluated based upon financial need, academic achievements, academic potential and community service.
