

December 2023

All Charitable Foundation accounts have been reconciled with their respective bank and brokerage statements through December 31, 2023. All financial reports are attached below.

Notes of special interest:

In December we received donations totaling \$17,946. This compares with December of 2022 when we received \$11,675.

The stock market was up again and we received several large donations, including 2 people who added \$5,000 to their living legacy's completing their \$10,000 pledges.

We continue to get new donors every month.

If January is as good, we'll have a great end to our fiscal year
