

June 2023

All Charitable Foundation accounts have been reconciled with their respective bank and brokerage statements through June 30, 2023. All financial reports are attached below.

**Notes of special interest:**

In June we received donations totaling \$5232.00. This compares with June of 2022 when we received \$14277.00.

My backup treasurer, Larry Mireles, has been learning the system for the last several months, working on the end of month reports with me.

He had had to really step up lately.

I have been in the VA Hospital, then rehab, then back to the VA on Sunday with recurring UTI's.

I haven't been home since May 22<sup>nd</sup>.

He did a lot of the typing last month, until I got a laptop here, and is doing all of the work on the scholarship checks.

Thank you, Larry!

Email me if you have questions or comments.
